Hotel Belvedere's comment

We are a family-owned and tradition-steeped hotel, embracing new challenges while maintaining a healthy foresight to continually delight our guests. We aim to remain a place where simplicity and understated elegance are seen as luxuries, allowing every guest to savour the unique ambiance with all their senses.

Our (new and returning) guests are active connoisseurs who seek authentic and genuine quality, and an experience that differs from being at home while on vacation. Hotel Belvedere is the exact place for them, promising precious moments of shared time, offering respite and relaxation from the daily bustle, starting from the moment they arrive. Together with our staff, we warmly welcome our guests and always strive to make their stay as enjoyable as possible. We are attentive, and our interactions with each other are warm and unobtrusive. We respect our guests' privacy, both on a personal and spatial level.

Our unique position is one of our USPs- we are located in San Genesio, a small village above Bolzano. We are overlooking the city and do enjoy a breathtaking panoramic view over the Dolomites. Our guests enjoy this view at any time and from every spot. This might be one of the reasons we were able to achieve the Award for the Best Hotel View Italy. We are very happy about this recognition and are looking forward to sharing it with whom it may concern.
