BODRUM TURKEY

KEMPINSKI HOTEL BARBAROS BAY BODRUM RECEIVES 4 AWARDS FROM HAUTE GRANDEUR

Haute Grandeur Global Excellence Awards, one of the most prestigious hotel awards in the world, awarded Kempinski Hotel Barbaros Bay Bodrum in four different categories. Having certified its national and international achievements with various awards, Kempinski Hotel Barbaros Bay became the "Best Luxury Hotel at Global Level".

Bodrum, September 28, 2022 – Haute Grandeur, one of the most prestigious awards in the world, evaluating hotels in 60 countries on 7 continents with its excellent services and service quality, awarded Kempinski Hotel Barbaros Bay Bodrum with its privileged location overlooking the endless blue of the Gökova Bay, as “Best Luxury Hotel in Global Level”, “Europe's Best Beach Hotel” and “Europe's Best Beach Resort”. Ferman Dogan, General Manager of Kempinski Hotel Barbaros Bay Bodrum, was also awarded as the “Best Newly Appointed General Manager at a Global Level”.

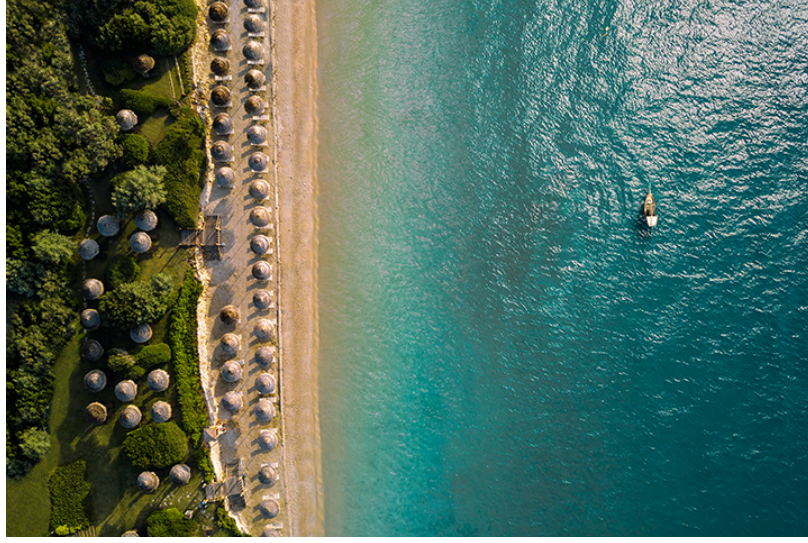

The lifestyle offered by Kempinski Hotel Barbaros Bay Bodrum, the high quality of its services and the diversity of experience it provides to its guests played an important role in receiving these valuable awards. Ferman Dogan, General Manager of Kempinski Hotel Barbaros Bay Bodrum, expressed his happiness at receiving the Haute Grandeur Excellence Awards, one of the world's leading awards, with the following words: *I am proud to have been awarded in all these categories.*

Kempinski Hotel Barbaros Bay

BODRUM TURKEY

As a team, we work with great enthusiasm to provide the best service to our guests at the highest level. We will continue to offer our guests a holistic experience each and every day of the year, and to make them experience the unique spirit of Bodrum with many different contents.”

Kempinski Hotel Barbaros Bay Bodrum, which draws attention with its unique service understanding in luxury hotel management, the importance it gives to details and the value it attaches to its employees, continues to host its guests in 2022 autumn and winter months due to the high demand it receives during the summer season.
