About Hooks Herrgård

There are always things to do at Hooks Herrgård. You are invited to a manor weekend with stimulating and fun activities or peace and quiet in our spa if you want to enjoy warm baths and wonderful, relaxing treatments.

Close by you will find the golf course where you can hit a few strokes or go a round if you, like us, love the fun sport with the little white ball. The area around the manor house offers varied walking paths in beautiful, Småland forests and Lake Hokusjön right next door offers the opportunity for a quiet rowing or fishing. But we think it's just as wonderful to just sit in front of the fire and enjoy a good book. You choose what suits you.

"It was a great honor for us to win this prestigious Award," said Hans Edberg, CEO. "I would like to thank all the guests who have visited our hotel, our business partners and our staff for making this possible. We will continue polishing our product to achieve even greater goals."
